

**Cinco Ranch High School (CRHS) Robotics Team
Robotics Work Related Injury Waiver for CRHS Robotics Students and Booster
Club Members - August 31, 2011 through August 31, 2012**

Student Waiver:

I, _____, give permission for my son or daughter, _____, to attend the CRHS Robotics Team work sessions from **August 31, 2011** through **August 31, 2012** to take place on the private property of a CRHS Robotics Booster Club member's family located in the neighboring area of Katy, Texas.

I understand that these Robotic work sessions will be held on private property that is not affiliated with CRHS. I am further aware that some work will be performed with powered tools and other equipment with possible physical hazards that may endanger my son or daughter. The equipment to be used will be, but is not limited to, saws, drills, hammers, electrical systems, knives, springs, high pressure air/pneumatics, grinders, sanders, rubber, latex, plastics, sharp metal edges, oil, and batteries. Reasonable safety precautions such as safety glasses and steel toe shoes are required and it is the responsibility of the student to have and use such equipment while on the premises.

In the event my son or daughter is injured, I agree to hold the landowner, the CRHS Robotics Booster Club member's family, and any of the CRHS Robotics Booster Club members, harmless, harmless of any consequential damage, and waive any legal action.
